3. Minimum required space reservation is (9) sq.m indoor area and (20) sq.m outdoor area, in case of reducing, fees of (9) sq.m shall be settled for indoor area and (20) sq.m for outdoor area.

4. Concerning the countries and parties applying for an entire hall reservation, the fees of the complete hall areas except the corridors shall be calculated provided that they comply with our E-Guide site plans. In case of requesting a change in the design, the approval of the Technical Department / Reservation Section shall be obtained before construction provided that the design includes the following criteria: the width of the middle corridors (3) m and the service corridor (1) m and one main corridor (4) m wide. In case of presenting a request to cancel the participation, that should be not less than (45) days before the date of opening the fair.
5. The participant's standard booth using the prefabricated stand components (aluminum poles, shafts, white melamine walls boards and flooring carpets) is constructed by our company. In case the local participant desires to use its own stand and not the prefabricated stand provided by our company, a sum of ID (25.000) per each square meter for the standard prefabricated stand shall be charged. If the participant is foreign, a sum of USD (25) per each square meter for the standard prefabricated stand shall be charged.
The stand constructed by our company includes the following:
 - a. One information desk (1) m².
 - b. Two Plastic chairs.
 - c. One trash can.
 - d. Carpets for the stand area and the corridor opposite the stand.
 - e. Lighting installation (3 spotlights) 180 watt.
 - f. One Electric outlet (electric extension) 3 meters in length with power capacity of (5) amp. In case of extra electricity supply, a sum of ID (10.000) for the local participant and USD (10) for the foreign participant per each extra amp shall be charged.
 - g. The name of the participant (as written in the registration form in the E-Guide) in Arabic with black font shall be fixed in the adhesive melamine nameplate. The nameplate can be written also in English as ordered and can be located in more than one place according to the site and area of the stand.
 - **Note:** The above materials are for the shell scheme of (9) m². In case of double area (9) m², doubled materials shall be added. In case of increasing the area with less than (9) m², no material shall be added. In case the participant orders extra desks or chairs, an additional sum of ID (10.000) per each desk and ID (5.000) per each chair shall be charged from the local participant and USD (10) per each desk and USD (5) per each chair shall be charged from the foreign participant for the whole period of the fair.
6. No damages are allowed to the components of the prefabricated stand such as perforation, stapling, painting, coloring and writing or any other damages resulted from the stickers or doing construction work near these components or adding sections to increase the height or using the walls of the booth to hang heavy exhibits which may lead to instability of the stand. In this regard, our company has the right to remove them and the participant shall cover the expenses of the damages incurred provided that damages shall be estimated at the same cost as prefabricated stand approved by our company, plus the amount of the fine and the participating party has to pay these fees before obtaining a quittance from the concerned departments of the company.

7. The party wishing to construct a special design stand should present the design to the designs section in the technical department of the company to obtain the approval before starting the construction .If there are some notes about it they should be taken by the participant and the site will not be given to the participant unless the final approval for the design is obtained which depends on the commitment with the safety aspects and not to damage the hall also not affecting comfort of the participants. In case the local participant desires to construct his own special stand by himself or by non adopted contractor in our company a sum of ID 15.000 per square meter shall be charged. If the participant is foreign, a sum of usd15 per each square meter shall be charged. The above mentioned amounts shall not be settled in case the participant contracting with one of the contractors approved by our company.
8. The working hours for constructing the stand by the other parties (12) hours a day starting from (8) am to (8) pm. The participant should finish constructing his stand not less than (48) hours before the opening of the fair to allow cleaning works and carpet flooring, if the work continues after this date, a fine of (1.000.000) Iraqi dinars should be imposed for local participant and (1.000) \$ for the non local.
9. In the case of an increase in the height of the special design over 3m ,10% of the area fees shall be added for each extra meter.
10. The prefabricated stand should not be used for hanging the exhibits to sell them.
11. The company's' approval should be obtained if the participant wishes to sell during the fair, 20% of the area fees will be added to the total fees of participation .The parties wishing to sell the foodstuffs are not allowed to reserve their areas in halls not allocated for direct sale otherwise the participant should pay the sale fees of in double to be 40% and the participant should present the commercial lists for the products supposed to be exhibited and the names of the companies wishing to sell to the commercial section and our company has the right to refuse exhibiting products that incompatible with the laws and regulations.
